

REPORT OF THE ALUMNI MEET 2026 Department of Botany, Madhabdev University

The Department of Botany, Madhabdev University, successfully organized the Alumni Meet 2026 on 6 June 2026 at the Conference Hall, Academic Block II, with the objective of strengthening the bond between the department and its alumni, fostering academic interaction, and creating a platform for sharing experiences and achievements. The programme brought together former students, faculty members, university administrators, and distinguished guests in a vibrant and memorable gathering.

The programme commenced with the registration of alumni participants, followed by the ceremonial lighting of the lamp, symbolizing the pursuit of knowledge and enlightenment. The inaugural session was graced by the Hon'ble Vice-Chancellor of the University, the Registrar, the Academic Registrar, and eminent former Heads of the Department, namely Prof. K. C. Sharma, Prof. P. K. Deuri and Prof. Parash Dutta. Their presence added significance to the occasion and reflected the rich academic legacy of the department.

During the interactive sessions, alumni from different batches shared their professional journeys, achievements, and experiences after graduation. Their inspiring narratives highlighted the role of the department in shaping their academic foundations and career development. The interaction provided

current students with valuable insights into higher education opportunities, research prospects, and career pathways in diverse fields of plant sciences and allied disciplines.

The programme also featured felicitation of invited guests and distinguished alumni in recognition of their contributions and continued association with the department. Departmental addresses emphasized the achievements, growth, and future aspirations of

the Department of Botany. A special display of photographs and memorabilia showcased the historical development of the department, highlighting important milestones, academic accomplishments, student activities, and research achievements over the years.

The Alumni Meet served as an important platform for strengthening institutional ties, promoting networking among former and present students, and exploring opportunities for future collaboration in academic, research, extension, and career-development activities. The enthusiastic participation of alumni and stakeholders contributed significantly to the success of the event.

The programme concluded with a formal vote of thanks expressing gratitude to all guests, alumni, faculty members, students, and organizing committee members for their support and participation. A group photograph session marked the end of the event, leaving behind cherished memories and reinforcing the enduring relationship between the alumni and their alma mater.

Overall, Alumni Meet 2026 was a highly successful event that celebrated the achievements of former students, strengthened the alumni network, and reaffirmed the Department's commitment to academic excellence and lifelong engagement with its graduates.
